

Longboard®

Soffit & Siding Table Walnut 1804/05-733

WOOD GRAINS AND COLOR OPTIONS

Durable and maintenance free Longboard® is available in over 20 wood grain species and has over 60 solid color options. Accent colors help bring out the natural hues and tones found in all of our Longboard® wood grains, allowing for creative new options when designing your home or building.

For more information go to longboardproducts.com

BUILDING GREEN FOR THE LONG HAUL

Longboard® is architectural grade aluminum with a high performance powder coat finish. The Longboard® line of products can help projects earn credits in various green building rating sources. Many architects and designers have turned to Longboard® for a maintenance free alternative to wood.
